TORONTO & THE GTA • WHOLESALE ACROSS CANADA

OUR APPROACH

Decorative panels, chosen with a cabinetmaker's eye.

Supplied direct to millwork shops, kitchen studios and interior contractors. No middle desk between you and the mill.

01

On-time delivery

Dates are given once and kept. Your install crew can plan against a delivery day that means something.

02

Quality you can show

Panels, bands and profiles are checked before dispatch for consistent color and clean edges.

03

Service that answers

One person quotes, schedules and follows the order through from request to delivery.

04

Current selection

Trending decors reach our racks while they are still being specified by designers.

PANELS • PROFILES • EDGEBANDS

Own delivery across the GTA. Wholesale enquiries welcome Canada-wide.

44 finishes. One coordinated source.

Product codes match the sample folders and the finish labels in this catalog.
